ABOUT **KET. NYET.**

KET-NYET,

Korea York Institute of Entrepreneurship & Technology-
New York Institute of Entrepreneurship & Technology, is
The Powerhouse for Innovation & Entrepreneurship™

NYET, as the Global Headquarter of our international presences, presents directions and methodologies to achieve our mission and strategic goals in a detailed manner across the globe. We play a key-role to solve the essential and fundamental problems in our society with scientific and strategic approaches.

KET is the Powerhouse for Innovation and Entrepreneurship™ for Korean communities. With NYET together, we present and implement multifaceted and in-depth strategic ways of innovation and entrepreneurship so that the entrepreneurial ecosystem of the country, cities, companies, and schools can be achieved at a world-class level.

We aim to
Empower the World's Future Leaders™

Our Value Responsibilities are...

EDUCATION

We Empower the World's Future Leaders.
With independently developed concrete pedagogues including **The 7 Step Model for Entrepreneurial Leaders™**, **The Hexagon Model for Entrepreneurial Experts™**, **The Immersion-Lab-based Experiential Learning Model™**, we aim to empower Entrepreneurs and Entrepreneurial Leaders.

A World-Class Supplementary Education

- The Future Academy™ (Pre & Kindergarten)
- The Future College™ (Primary-Secondary)
- The Prime College™ (Undergraduate)

A World-Class Executive & Professional Education

- The School of Entrepreneurship™
(for Executives / Entrepreneurs)
- The Professional School™
(for Young Professionals)
- On-Demand Global Executive Education™

RESEARCH

A research work for governments and businesses should ensure the effectiveness of the results.
Empathy and Accountability are our keys for the effective research.

We aim to **solve the structural problems our clients are facing through a scientific and strategic approach.**

- Entrepreneurial Ecosystems & Public Policy
at Country / City / Corporate / University &
College level
- National / Regional Innovation System
- Economic Development
- Consumer & Market Research
- Regulations, Constrains, and Political-
Economic Environments

CONSULTING

We aim to unlocking clients' potential and achievement.
Our consulting services provide and enable effective and unique solutions from a global perspective.
Stay away from the status quo. Our Futurizing program facilitates our clients' way of building a greater future.

Our consulting areas that aim to solve our clients' facing challenges through a very practical, scientific, and strategic approach are as follows.

- Product & Business Model Innovation
- Global Positioning & Expansion
- Strategic Renewal
- Corporate Turnaround Management
- Financial Restructuring
- Re-Capitalizing
- Mergers & Acquisitions
- International Partnership & Alliance

“

A Very Worldwide Innovation & Entrepreneurship Network

WHY KET-NYET?

01 World-class & broad global network

Our programs are based on a global perspective and global network including key companies & institutions in New York, Beijing, Israel and more.

02 In-depth knowledge & experience, and world-impact

With our philosophy, educators, pedagogies, infrastructure, and leadership, we make sure every participant of our programs is embellished with exhaustive knowledge and experience. We make a significant impact in the real world so that the world move forward.

03 A front-runner in state-of-art fields

Ranging from Digital Transformation, Artificial intelligence to Blockchain, to Entrepreneurial Challenges, our programs cover what you want to learn more about with strong partners from diverse fields.
